

"The public is woefully uninformed on vaccine risks due to government and media censorship." Dr. Mark Geier, M.D., Ph.D.

"I found the whole vaccine business was indeed a gigantic hoax. Most doctors are convinced that they are useful, but if you look at the proper statistics and study the instances of these diseases you will realize that this is not so."

Dr. Archie Kalokerinos, M.D.

"After years of doing research in immunology, observing scientific activities of my superiors, and analyzing vaccine issues, I realized that vaccination is one of the most deceptive inventions that science could ever convince the world to accept..."

Dr. Tetyana Obukhanych, Ph.D. in immunology Rockefeller University, NY, NY

"It is dangerously misleading to say that vaccines make us "immune" or protect against disease, when in fact that is the exact opposite of the truth. Vaccines only drive disease deeper and cause us to harbor it chronically."

Dr. Richard Moskowitz, M.D.

"What the vaccinators don't tell you is that communicable diseases have been declining at a steady rate for 150 years and that there is no relationship between the various diseases and the onset of immunization. Without exception the vaccine program for each of the childhood diseases was inaugurated after that particular disease had begun to disappear. Contrary to what you have been told, this includes polio. What the vaccines have done is cause the various childhood diseases to become adulthood diseases, with far more serious implications, mumps in men and rubella in women for example." Dr. William Douglass, M.D.

"The only safe vaccine is one that is never used." Dr. James A. Shannon, M.D.
Former Director, National Institutes of Health (1955-1968)

"The bottom line is that the medical systems are controlled by financiers in order to serve financiers. Since you cannot serve people unless they get sick, the whole medical system is designed to make people sicker and sicker."

Dr. Guylaine Lanctot, M.D.

Vaccines are bio-weapons. The term "anti-vaxxer" is merely weaponized language and labeling, and its use is a form of mind control.
